Re: Planulina Zone, Reservoir B  
Grand Cheniere Field  
Cameron Parish, Louisiana

Dear Commissioner Boudreaux:

Application is hereby made on behalf of **EOG RESOURCES, INC.** for the calling of a public hearing, after legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters relating to the Planulina Zone, Reservoir B, in the Grand Cheniere Field, Cameron Parish, Louisiana:

1. To establish rules and regulations and to create a single drilling and production unit for the exploration for and production of gas and condensate from the Planulina Zone, Reservoir B, in the Grand Cheniere Field, Cameron Parish, Louisiana, said unit to be designated PLAN RB SUA, as shown on the plat attached hereto and made a part hereof.
2. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the proposed unit with each tract sharing in unit production on a surface acreage basis of participation.
3. To designate EOG Resources, Inc. as operator of the proposed unit.

4. To designate the EOG Resources, Inc. – Millrich Properties LLC No. 1 Well as unit well for the proposed unit.

5. To provide that any future wells drilled to the Planulina Zone, Reservoir B, in Grand Cheniere Field, should be located in accordance with the spacing provisions of Statewide Order No. 29-E.

6. To provide that the Commissioner of Conservation should be authorized to reclassify the Planulina Zone, Reservoir B, in Grand Cheniere Field by supplemental order without the necessity of a public hearing if the producing characteristics of such reservoir change and evidence to justify such reclassification is submitted to and accepted by the Commissioner of Conservation.

7. To consider such others matters as may be pertinent.

The Planulina Zone, in Grand Cheniere Field, was previously defined in Office of Conservation Order No. 199-Z, effective May 10, 1994.

Pertinent data, including well logs, may be obtained **AT THE COST OF THE REQUESTING PARTY** from Louis Gilbert & Associates, Inc., 3636 North Causeway Blvd., Ste. 204, Metairie, Louisiana, 70002-7216, Telephone Number (504) 834-1736.

Pursuant to the Rules of Procedure, a pre-application conference was held on April 10, 2002, in Lafayette, Louisiana, at which the parties named on the attached list were in attendance. The conference was opened by Richard W. Revels, Jr. and Louis Gilbert, representatives of the applicant, who explained the basis of EOG's proposed unit. James Hardwick, Paul Perret and Tony Carollo, representing various landowners, presented counterplans. After considerable discussion, the represented parties agreed to move the west boundary of the proposed unit to the west in order to center the proposed unit well in an east/west direction. This change adds approximately 16 acres to the unit. The applicant is not aware of any opposition to the compromise proposal. The conference was then adjourned.

Attached hereto and made a part hereof is a revised plat outlining the applicant's proposal, the conference attendance list and a list of the names and addresses of the Interested Owners, Represented Parties, and Interested Parties to whom a copy of this application is being mailed. Pursuant to the Revised Rules of Procedure, such list of parties is being furnished only to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation; however, the list of parties will be furnished to any party requesting copies. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Represented Parties and Interested Parties.
